

# Unmanned Aircraft Systems (UAS) Have Arrived In Our District!!!

This seminar will delve into Unmanned Aircraft Systems. What are they? How do they work? The three types of UAS Operators will be identified. What about sharing the Airspace; as a pilot how will it impact me? How will the UAS gain access to the NAS? This topic is being presented by FAA Inspector Skip Weigand. Click the link below and register TODAY.

**Directions:** PLEASE PREREGISTER. We are expecting a large turnout for this seminar!!!

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
